About Us

ClearGage, Inc. is revolutionizing the way medical providers do business. By developing innovative healthcare payments solutions and services that employ revenue cycle technology we're doing our part to bring retail to healthcare and simplify the process of calculating and collecting payments.

The **ClearGage Payment Accelerator™** is a HIPAA and PCI compliant web-based software product designed to calculate, process, and collect your patient's medical payments quickly and cost-efficiently at the point of service. The software is comprised of several distinct modules that when combined, offer one of the most intelligent and comprehensive healthcare payment solutions available.
